

Inova Cares Clinic for Families

The Inova Cares Clinic for Families serves as a medical home for all ages for patients that reflect the cultural diversity of the community we serve. The Inova Cares Clinic for Families provides comprehensive primary care services including, but not limited to:

Adults

- Regular physicals, ongoing health maintenance and check-ups (e.g. routine bloodwork, prescription refills, vaccinations, health screenings), patient education and counseling for disease prevention
- Chronic disease management (e.g. diabetes, high blood pressure, high cholesterol), care coordination for specialist referrals and other medical services, nurse case management
- Behavioral health services (e.g. depression, anxiety)

Children*

- Well Child Visits
- Sick Child Visits
- Physicals - school and sports
- Home Tomorrow Visits for recently discharged newborns with bilirubin check
- Childhood immunizations – as recommended by current clinical guidelines

Medicaid and Inova Financial Assistance (Charity) application assistance. Please call one of the clinics for more information regarding eligibility.

**Please call to check availability, services may not be available at all sites.*
